IT Project... management

## Last 6 years

A. Hidden Company Name

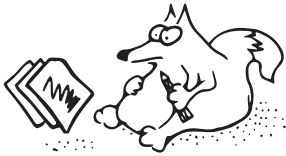

B. Self employed

C. Hidden Company Name

## Superskill:

- Some CRAZY infographics

## Successful Sideprojects:

- branchtrack.com - elearning service
- yaklass.RU - education service

- Some marketing websites (wordpress)
- Some API for product base

## its Like:

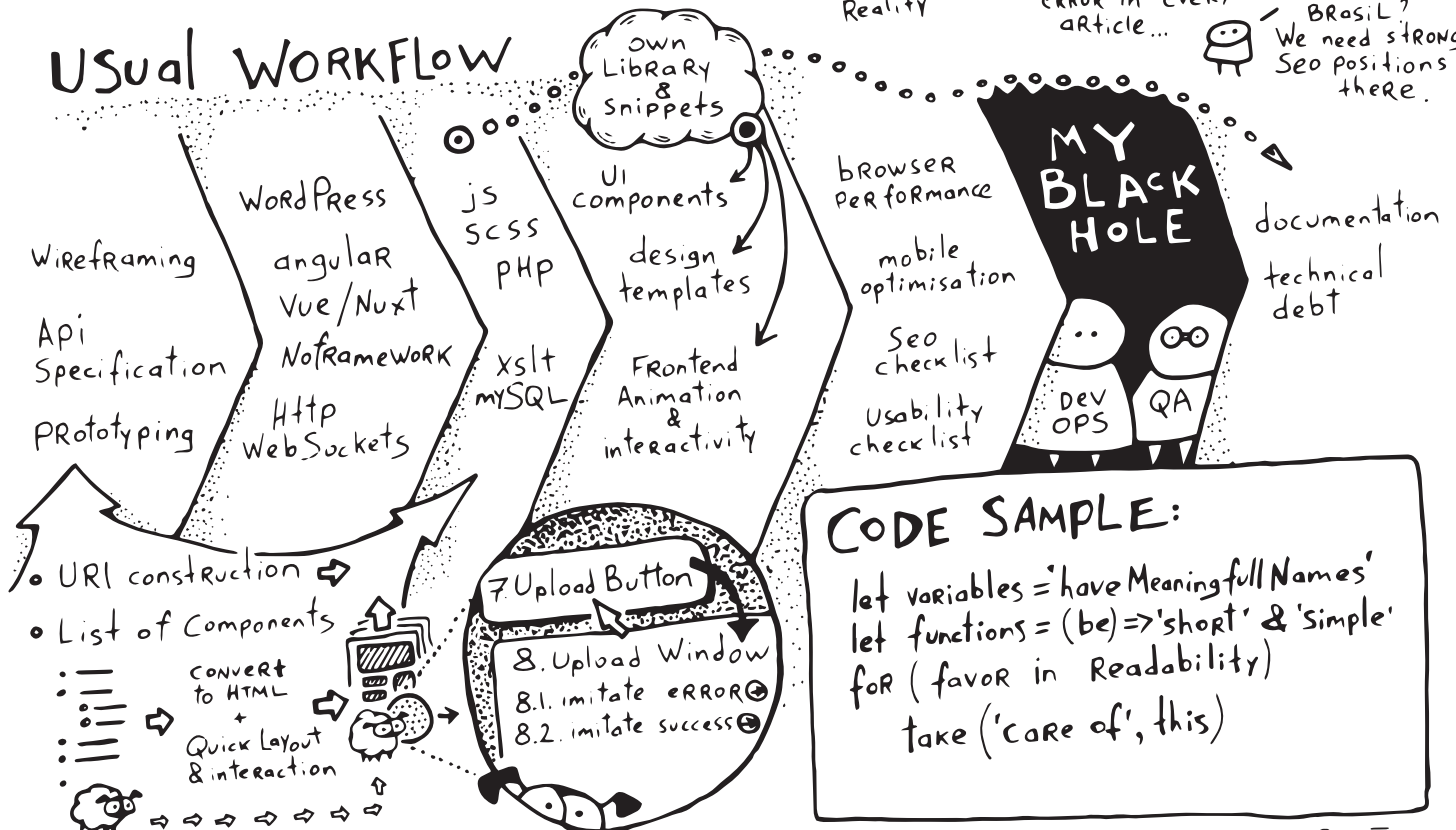

Hi, i have 7000 unformatted Articles in google DRIVE. Could you update website?

oh, could you 'do it again?' there was a little ERROR in every article...

We need google Page Rank above 90

How about BRASIL? We need strong Seo positions there.

## USUAL WORKFLOW

## CODE SAMPLE:

```
let variables = 'have Meaningfull Names'
let functions = (be) => 'short' & 'simple'
for (favor in Readability)
  take ('care of', this)
```
