2019

a lot of  
Small Projects  
Front/Back/Other

Successful  
Side Projects:

- branchtrack.com  
- elearning service
- yaklass.RU  
- education service

Web Dev  
Students

Youth  
Organisations

Augmented  
Reality

- Some marketing  
websites (wordpress)
- Some API  
for product base

its Like:

Hi, i have 7000  
unformatted Articles  
in google Drive.  
Could you update  
website?

oh, could you  
'do it again?'

there was a little  
error in every  
article...

We need  
google  
Page Rank  
above 90

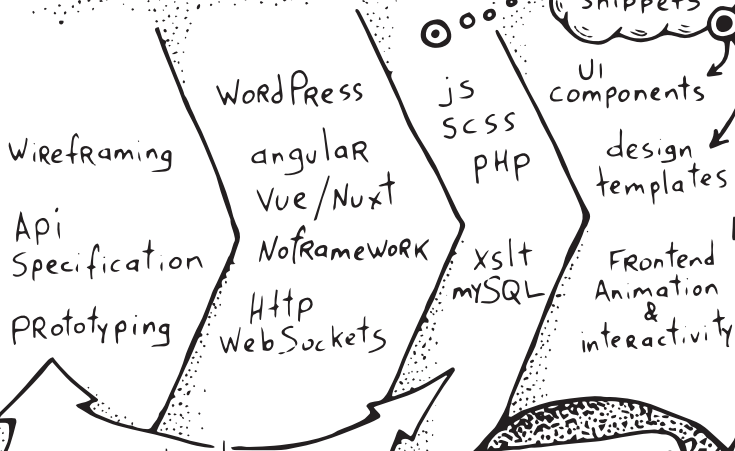

How about  
BRASIL?  
We need strong  
SEO positions  
there.

## Superskill:

- Some CRAZY  
infographics

## USUAL WORKFLOW

browser  
performance

mobile  
optimisation

seo  
checklist

usability  
checklist

MY  
BLACK  
HOLE

documentation  
technical  
debt

DEV  
OPS  
QA

## CODE SAMPLE:

```
let variables = 'have Meaningfull Names'
let functions = (be) => 'short' & 'simple'
for (favor in Readability)
  take ('care of', this)
```
