Last 6 years

A. Hidden Company Name

B. Self employed

C. Hidden Company Name

a lot of small projects
Front/Back/Other

Successful Side Projects:

- branchtrack.com - e-learning service
- yaklass.ru - education service

Web Dev Students
≈ 10

- Some marketing websites (wordpress)
- Some API for product base

its Like:

Hi, i have 7000 unformatted Articles in google Drive. Could you update website?

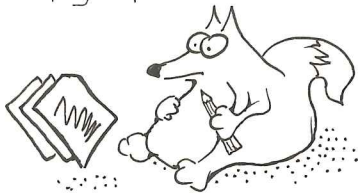

We need google Page Rank above 90

oh, could you do it again? there was a little error in every article...

How about BRASIL? We need strong Seo positions there.

Superskill:

- Some crazy infographics

Usual WORKFLOW

browser performance
mobile optimisation

seo check list
usability check list

MY BLACK HOLE

documentation
technical debt

CODE SAMPLE:

```
let variables = 'haveMeaningfullNames'  
let functions = (be) => 'short' & 'simple'  
for (favor in Readability)  
  take ('care of', this)
```
